

HATTIE

HATTIE, an enigmatic TECHNICIAN in her mid-twenties. She has a strange uncanny quietness about her. She is slow to anger and slow to laugh.

HATTIE

Done.

RUSSELL

Well it's about time! How much is Electro Wizards gonna charge me?

HATTIE

Nothing. The dime is on the house.

RUSSELL

Wow! Thanks mac! You know to be a woman, you're not half bad. Bless ya heart!

HATTIE

You enjoy your evening Mr. Kelly.
